DP-5.2

Voucher No. BP761345 Under Interagency Agreement No DE-AIOI-84DP20136 with the Department of Interior (DOI)

Donald White, MA-452.1

Mr. John E. Rudolph, DP-224, DOE Program Officer for subject agreement states and I concur:

"The invoice from DOI requesting payment of \$11,395.61 should not be paid.

DOE was appropriated \$4,000,000 to carry out specific purposes identified in P.L. 98-181 and P.L. 96-205. The appropriation was to fund the Four Atoll Health Care Plan. These funds were transferred to the DOI under the above referenced agreement dated August 1, 1984. This effort has been completed and DOE should not be obligated for funding any amount in excess of that appropriated or authorized."
